HOW TO RE-SKIN THE APP?

The screenshot shows the Xcode interface with the project 'Ultimate AdBlock' open. The 'ContentBlock' target is selected. In the Project Navigator, the 'blockerList.json' file under the 'ContentBlock' group is highlighted with a red box. In the Detail pane, the same file is also highlighted with a black box. A large black rectangular box with white text 'YOU CAN ADD MORE BLOCKING RULES HERE' is overlaid in the center of the code editor area. The code editor displays a JSON configuration for blocking rules, and the bottom right corner of the screen shows the Xcode log output.

```

WORKIN WITH REVENUE CAT

The screenshot shows the RevenueCat Overview page. At the top, there is a navigation bar with links for Fiverr / Inbox, App Store Connect, Overview | RevenueCat, Fotor Design, Custom Size - Design | Fotor O..., and a search icon. Below the navigation bar, the RevenueCat logo is on the left, followed by tabs for Overview, Charts, Customers, and Apps (which is highlighted with a red box and has a red arrow pointing to it from the text "PRESS HERE"). To the right of the tabs are buttons for View sandbox data, Docs, and Account.

Overview

Get Started

- 1. Setup your first app
- 2. Configure entitlements
- 3. Connect the SDK
- 4. Make a test purchase

Add Filter ▾

Active Trials	Active Subscriptions	MRR
0 active trials	0 active subscriptions	0 \$ monthly recurring revenue

Revenue	Installs	Active Users
0 \$ last 28 days	3 last 28 days	3 last 28 days

Recent Transactions

No live transactions to show

WORKIN WITH REVENUE CAT

The screenshot shows the RevenueCat Overview dashboard. At the top, there's a navigation bar with tabs for Overview, Charts, Customers, Apps (with a dropdown), View sandbox data, Docs, and Account. A search bar is also present.

The main area is titled "Overview". On the left, there's a "Get Started" section with a checklist:

- 1. Setup your first app (✓)
- 2. Configure entitlements (✓)
- 3. Connect the SDK (✓)
- 4. Make a test purchase (○)

Below the checklist is a button labeled "Add Filter ▾".

On the right side, there's a card for the app "Probel - Spaces For Instagram" with a "PRESS HERE" button. Below this card is a red-bordered "Add App" button.

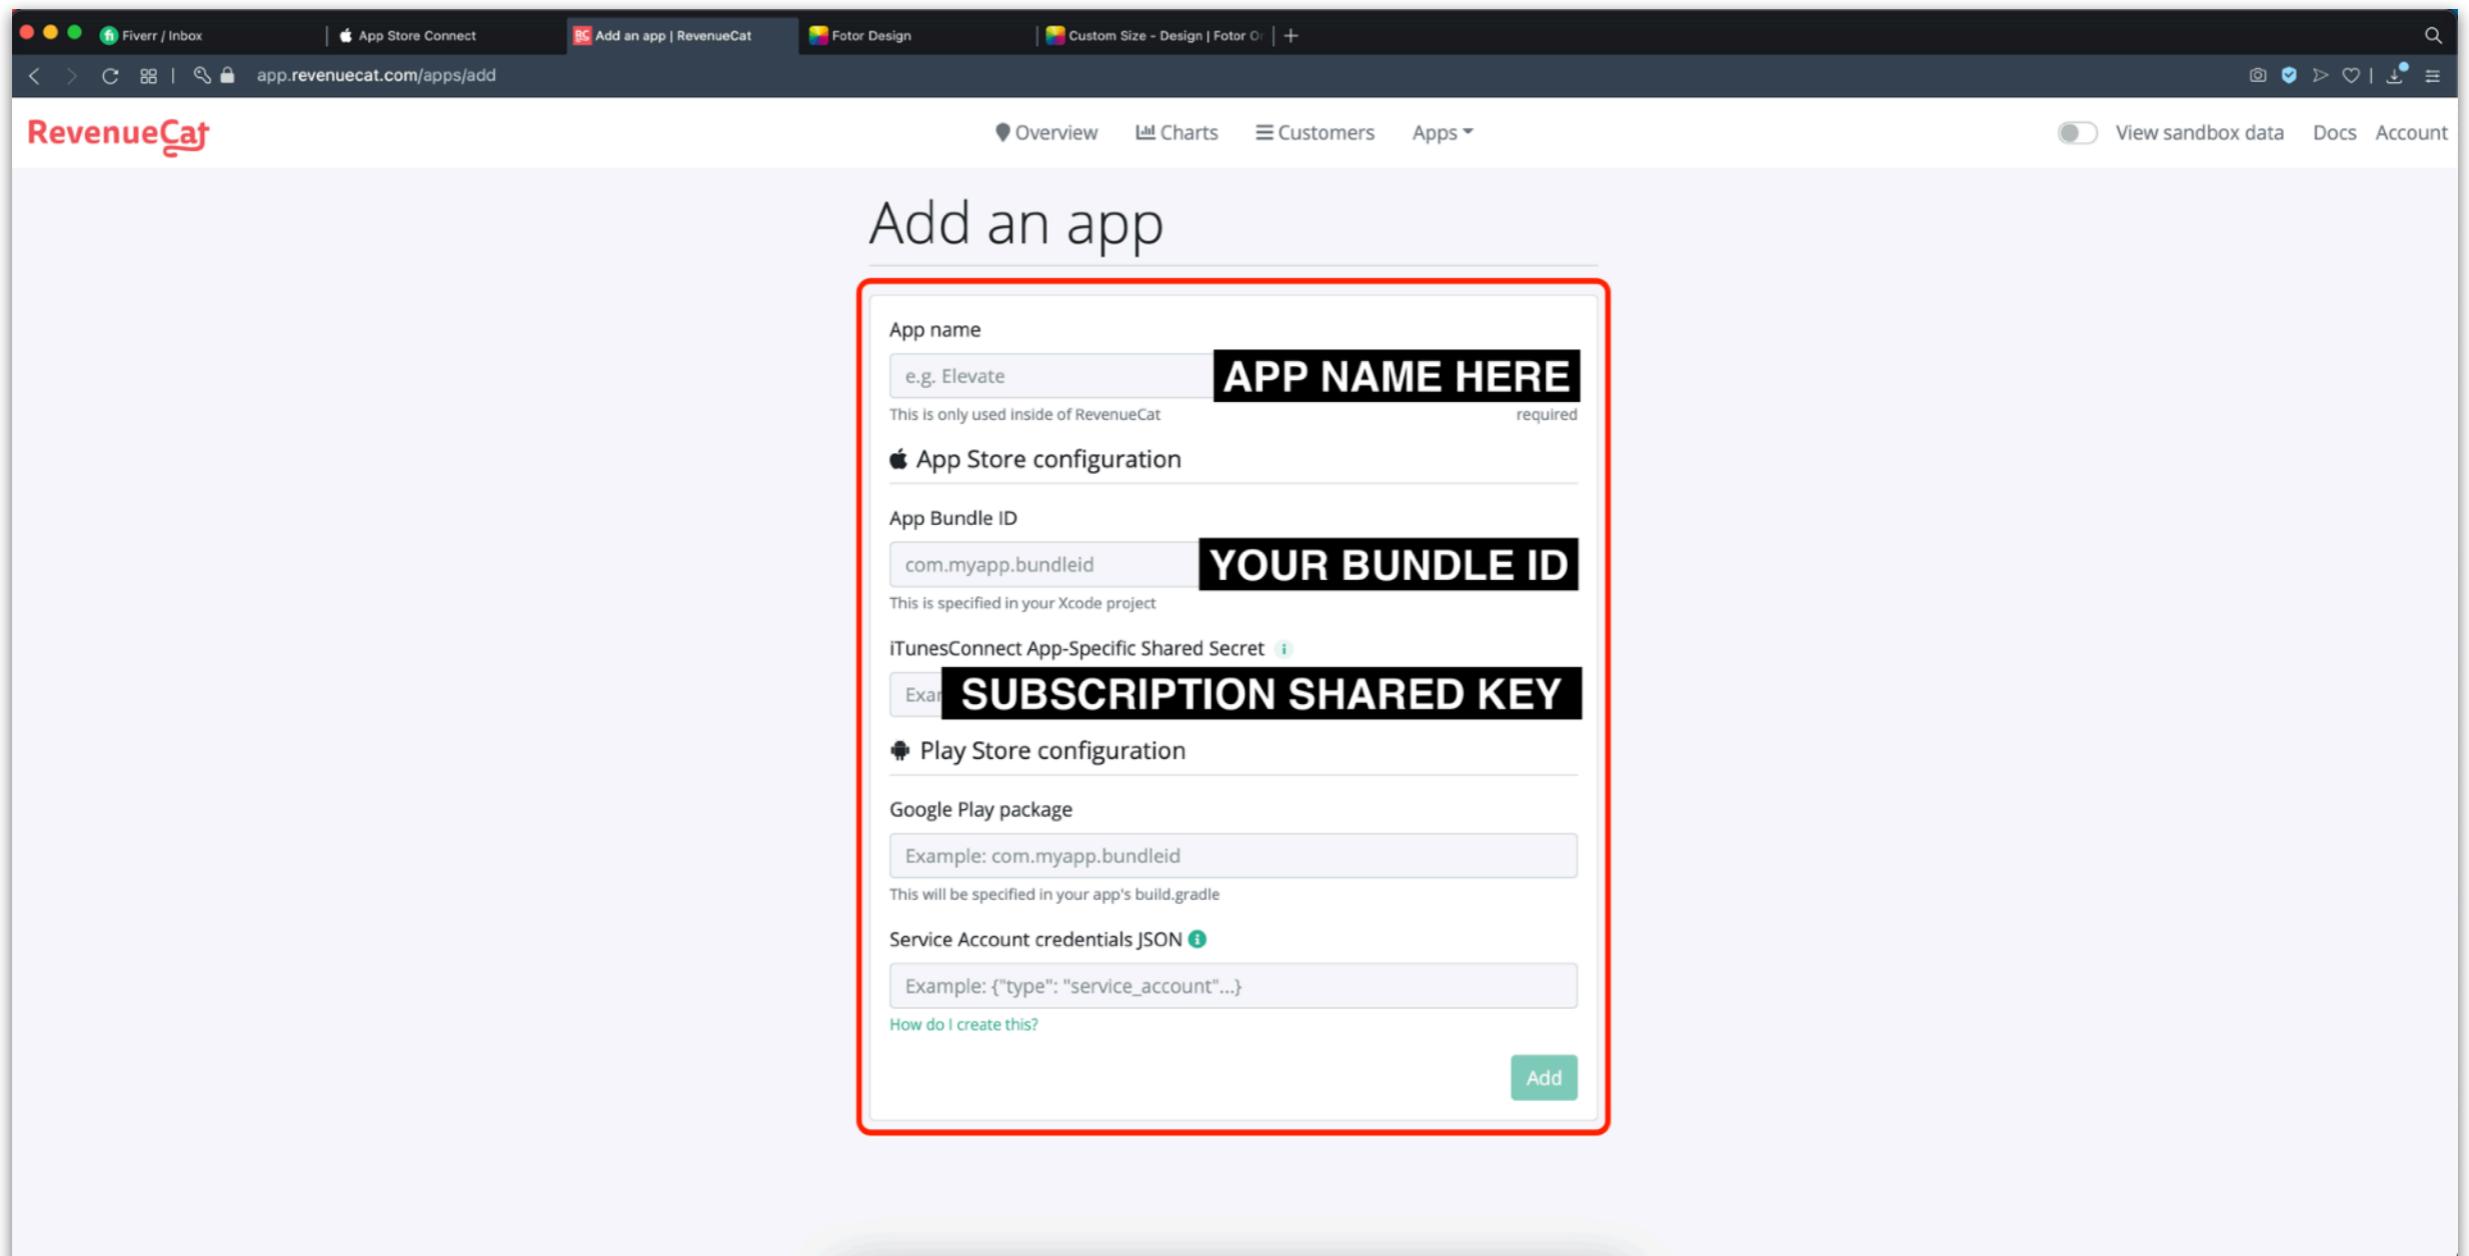

The dashboard features several summary cards:

- Active Trials**: 0 active trials
- Active Subscriptions**: 0 active subscriptions
- MRR**: 0 \$ monthly recurring revenue
- Revenue**: 0 \$ last 28 days
- Installs**: 3 last 28 days
- Active Users**: 3 last 28 days

At the bottom, there's a section titled "Recent Transactions" with the message "No live transactions to show".

A small URL is visible at the bottom right: <https://app.revenuecat.com/charts/mrr>.

WORKIN WITH REVENUE CAT

WORKIN WITH REVENUE CAT

The screenshot shows the RevenueCat application interface for the app "Probel - Spaces For Instagram". The left sidebar contains a navigation menu with the following items:

- Configuration
 - Settings
 - Collaborators
 - API Keys
 - Entitlements
 - Offerings** (highlighted with a red box)
- Tools
 - StoreKit Testing
- Integrations
 - Webhooks
 - Analytics
 - Amplitude (Analyze)
 - Mixpanel (Analyze)
 - mParticle (Analyze)
 - Segment (Analyze)

The main content area is titled "Offerings" and displays a table with the following columns: Identifier, Description, Packages, Created, and State. A red arrow points from the "Offerings" button in the sidebar to the "+ New" button in the table header. A large black banner at the bottom of the main content area reads "SELECT OFFERINGS AND PRESS NEW".

WORKIN WITH REVENUE CAT

WORKIN WITH REVENUE CAT

The screenshot shows the RevenueCat application interface for managing offerings. On the left, there's a sidebar with 'Configuration' and 'Tools' sections. Under Configuration, 'Offerings' is highlighted with a red box and has a red arrow pointing from it to a large black button labeled 'PRESS HERE'. The main area is titled 'Offerings' and displays a table with one row:

Identifier	Description	Packages	Created	State
fullappaccess	Probel Full App Access	1 package	2021-04-08 11:27 AM	Current

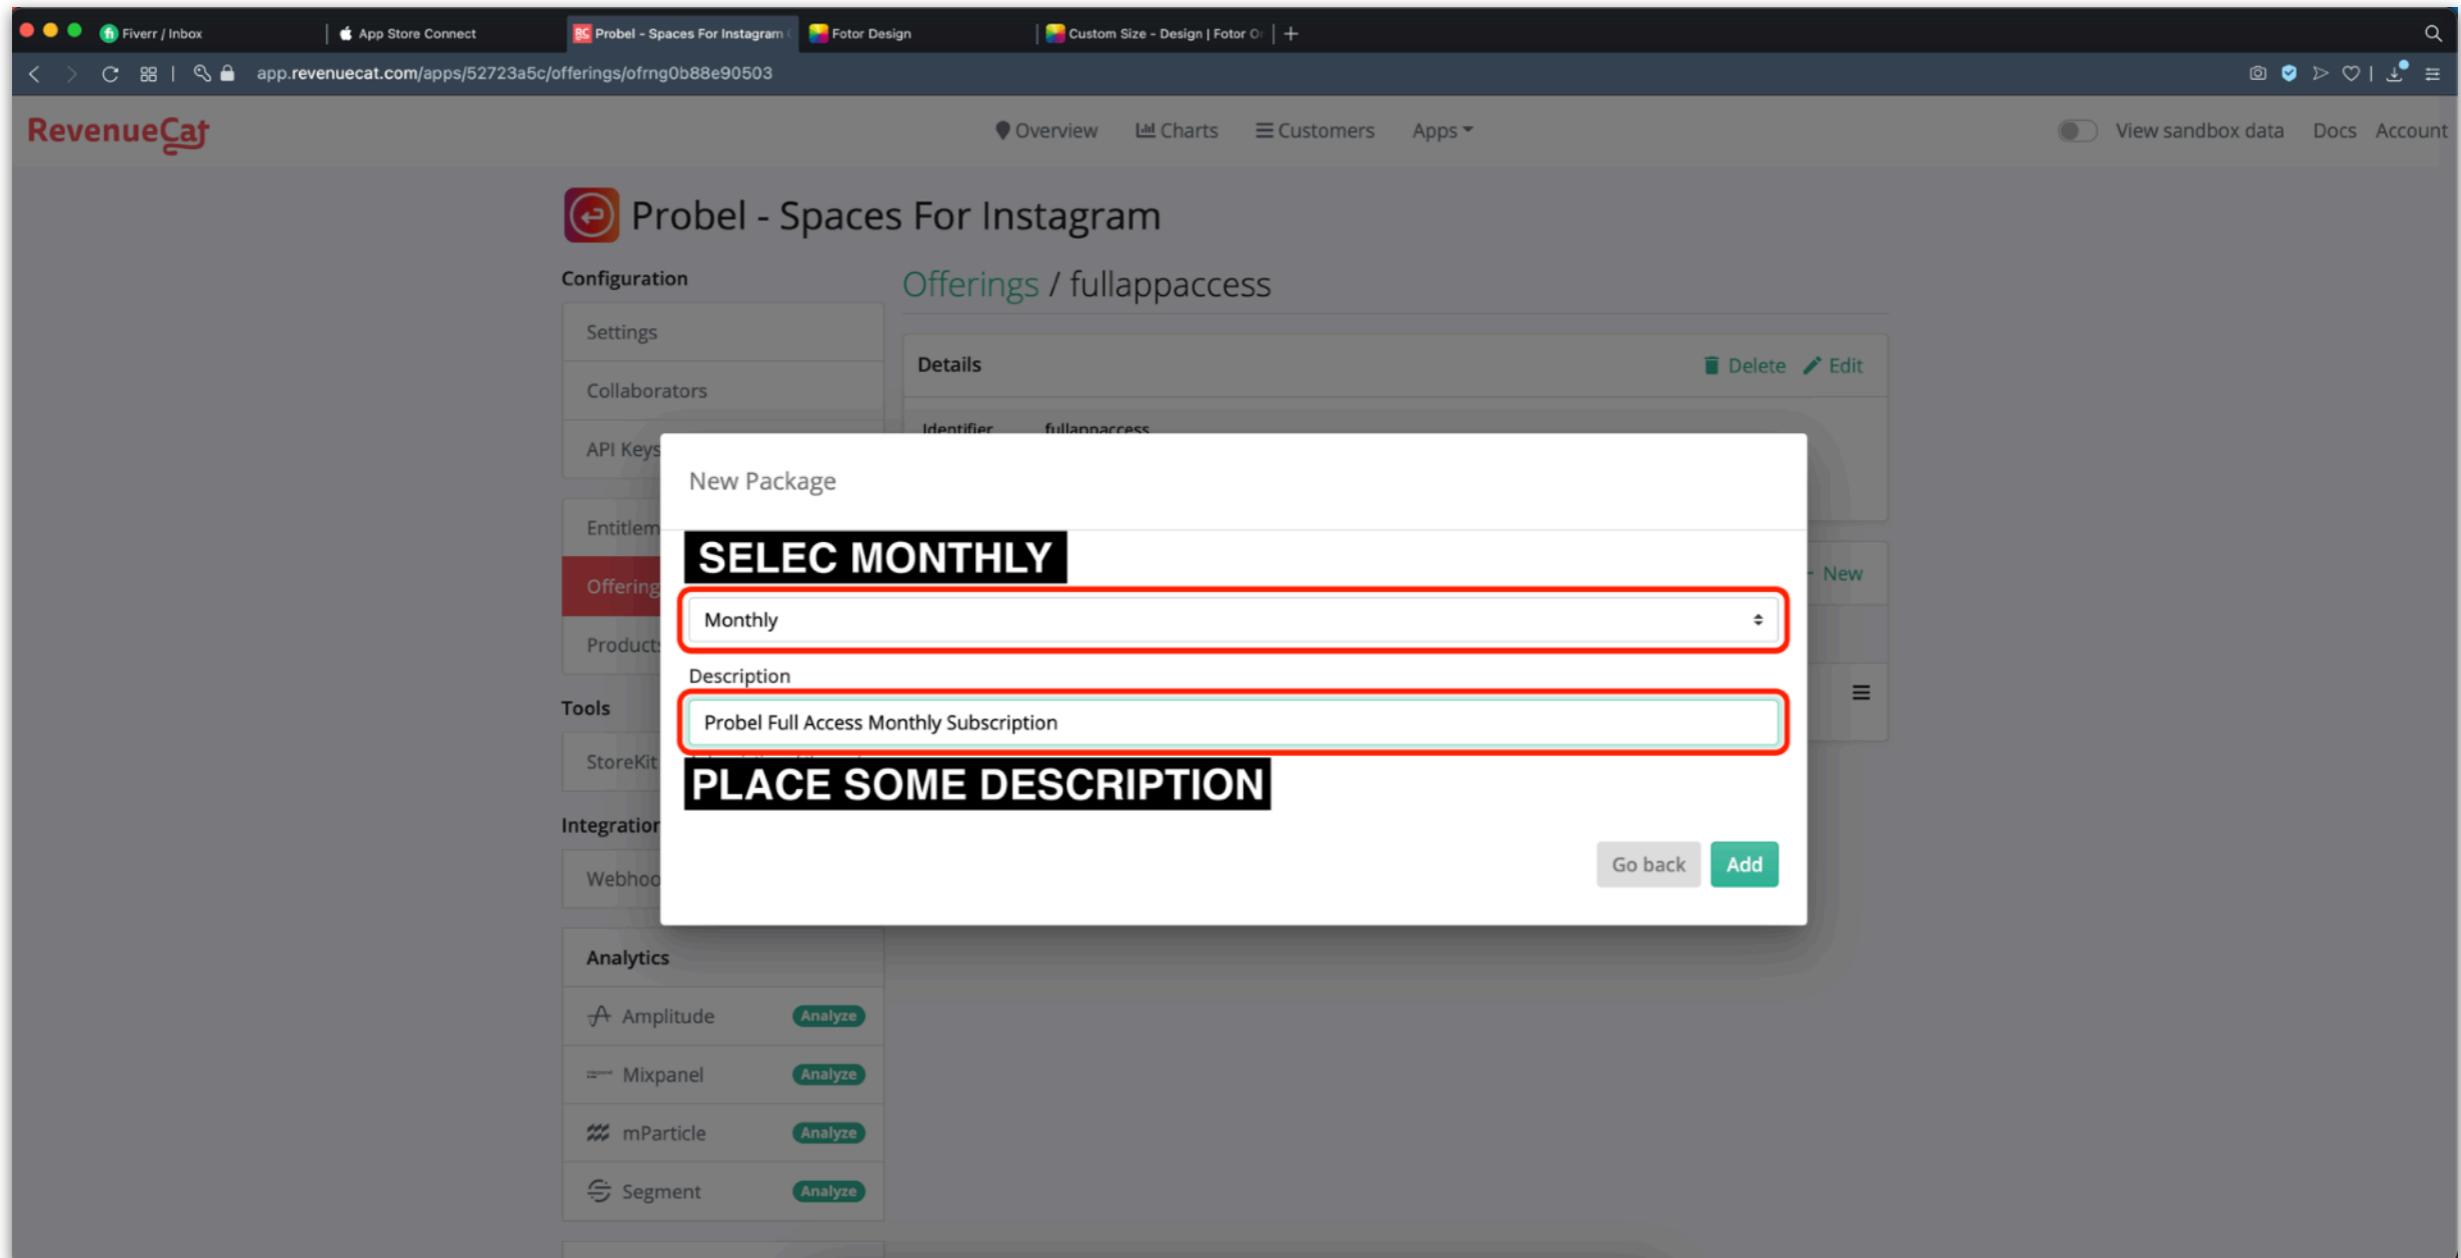

The 'Offerings' button is located at [315, 245, 385, 435]. The red box is at [465, 245, 485, 385]. The red arrow starts at [445, 385] and ends at [445, 635]. The 'PRESS HERE' button is at [445, 545, 465, 645].

WORKIN WITH REVENUE CAT

The screenshot shows the RevenueCat application interface. At the top, there's a navigation bar with various tabs like 'Overview', 'Charts', 'Customers', and 'Apps'. Below the navigation is a main header for 'Probel - Spaces For Instagram'. On the left, a sidebar titled 'Configuration' contains links for 'Settings', 'Collaborators', 'API Keys', 'Entitlements', 'Offerings' (which is highlighted with a red box), and 'Products'. Under 'Tools', there's a link for 'StoreKit Testing'. On the right, the main content area is titled 'Offerings / fullappaccess'. It shows a 'Details' section with an 'Identifier' of 'fullappaccess', a 'Description' of 'Probel Full App Access', and a 'Created' date of '2021-04-08 11:27 AM'. Below this is a 'Packages' section with a table. A red box highlights the '+ New' button in the top right of this section. The table has columns for 'Identifier', 'Description', 'Products', and 'Created'. One row is shown: 'Monthly' (Identifier) for 'Probel Full Access Monthly Subscription' (Description), associated with '1 product' (Products) and '2021-04-08 11:28 AM' (Created). A large black button labeled 'PRESS HERE' is overlaid on the right side of the packages table. At the bottom of the sidebar, there are sections for 'Integrations' (Webhooks) and 'Analytics' (Amplitude, Mixpanel, mParticle, Segment), each with an 'Analyze' button.
